BEHARA LASYA SREE
B.Tech – Computer Science & Engineering (Artificial Intelligence & Machine Learning)
7730906461 • lasya6986@gmail.com • Visakhapatnam - AP

PROFESSIONAL SUMMARY

Computer Science and Engineering student specializing in AI & ML with a strong foundation in Data Structures and Algorithms, Java, C, Python, and web development. Experienced in building academic projects, practicing algorithmic problem solving, and applying programming concepts to practical applications. Interested in software development, machine learning, and problem solving.

EDUCATION

B.Tech – CSE (Artificial Intelligence & Machine Learning) **CGPA: 9.6/10**
Anil Neerukonda Institute of Technological Sciences | 2024–2028
Intermediate **97.6%**
10th CBSE **97.6%**

TECHNICAL SKILLS

Languages: C, Java, Python
DSA: Arrays, Searching, Sorting, Linked Lists, Stacks, Queues, Hashing, Trees, Graphs, Dynamic Programming
Web: HTML, CSS, JavaScript, Node.js, Express.js
Databases: MySQL, SQLite, MongoDB
ML / Data: Python, introductory Machine Learning, data analysis
Tools: Git, GitHub, JDBC

PROJECTS

GreenMate – Smart Plant Care Companion | *Python • Machine Learning • Web Technologies • SQLite*
- Designed a smart plant-care application concept to help users manage plant information and care routines.
- Planned personalized care guidance, watering reminders, and plant-related data management.
- Explored Machine Learning integration for future plant identification and disease-detection capabilities.

Medication Management System | *Python • Data Processing • Machine Learning Concepts*
- Worked on a medication-focused application using structured medicine data and frequency-based relationships.
- Applied data-processing concepts to identify and manage frequently occurring medicine-pair relationships.
- Focused on practical handling of dataset limitations and duplicate prevention.

CORE COURSEWORK

Data Structures & Algorithms • Object-Oriented Programming • Computer Networks • Operating Systems • Database Management Systems • Machine Learning • Web Development

ACHIEVEMENTS & ACTIVITIES

- Maintained strong academic performance with a 9.6 CGPA in B.Tech.
- Regularly practices LeetCode-style Data Structures and Algorithms problems.
- Participated in coding competitions, technical challenges, and Machine Learning project/hackathon activities.
- Hands-on practice in debugging, code optimization, and algorithmic problem solving.

PROFESSIONAL LINKS

GitHub: https://github.com/lasya6986-bit • LinkedIn: https://www.linkedin.com/in/behara-lasya-sree-a603b33b7

SOFT SKILLS

Problem Solving • Analytical Thinking • Teamwork • Communication • Adaptability • Continuous Learning

AREAS OF INTEREST

Software Development • Data Structures & Algorithms • Artificial Intelligence • Machine Learning • Web Development
